

3/4 INSOLES

- ✓ Even weight distribution and natural alignment
- ✓ Custom foot support & perfect fit
- ✓ Better overall foot health

Specifically designed for women's narrow and low volume shoes, the 3/4 insole is an extra-narrow-width insole which delivers customised comfort for tight fitting casual (& formal) footwear or footwear without removable insoles.

Available in Inca Brown.

The 3/4 insoles come with a pair of double sided stickers for optional attachment inside shoes.

Cushioning: 1 2 3

Support: 1 2 3

Sizes: 34-42

Weight (size 39): 29g

Developed in cooperation with the Podiatry Department of Metropolia University of Applied Sciences (Helsinki, Finland) and field tested by Testing Lab (Finland).
